

ALEX PARKER

Former Everton & Scotland Right Full - Back

Dedicated to a Polished, Strong Tackling, Fully Committed Team Player

An Everton League Winner, from Falkirk, who signed in Fifty Eight.
Left-Wingers hardly got a touch, in so many games he'd dominate.
Enjoyed the Trust of Teamates, when the Ball was played out wide.
eXpert exponent of the Sliding Tackle, if the Winger moved outside.
Powerful when he moved forward, with Long Distant Shots at Goal.
Attack was just the Added Bonus, to his Assured Defensive Role.
Regular choice for Scotland, for whom he often 'Caught The Eye'.
Keen to cover, where most needed, a real top quality Bargain Buy.
Enjoyed Seven good years at Everton, before moving to Southport.
Remembered for his cheerful disposition, a great credit to his Sport.
