

# GARY LINEKER

## Former Everton & England Striker

*Everton's 1986 Mexico World Cup 'Golden Boot' Winner*

**G**ary moved to Everton in '85, from Leicester City he was signed.

**A** real Nightmare trying to mark him, with Goals always on his Mind.

**R**azor Sharp when close to goal, to compliment his lightning pace.

**Y**our average League Defenders, were just left nowhere in a race.

In his One and Only Season, saw him score Forty for the Blues.

**L**eague Goals tallied Thirty, winning games and Headline News.

**I**n Mexico's Eighty - Six World Cup, he made every sporting page.

**N**otched Six Goals for England, to arrive on the Worldwide Stage.

**E**verton now had a Superstar, every Top Club would love to recruit.

**K**nown Universally, as the 'Winner of the World Cup Golden Boot'.

**E**urope's ban on English Clubs, meant Gary rightly moved abroad.

**R**egretably we lost our Star and many Goals he could have scored.
