

KEVIN SHEEDY

Former Everton & Eire Midfielder

A Player who could 'Peel an Orange' with his Left Foot

Kevin signed from Liverpool, our friends who play across the Park.

Everton secured a great Left-Winger, to provide that missing spark.

Very thoughtful with his crosses, supplied with deadly pin-point aim.

It was marvellous just to watch him, impose his influence on a game.

Nothing seemed to hurry him, his brain was focussed and controlled.

He could provide that extra 'Touch of Quality', to conjure up a Goal.

Specialized in taking Free-Kicks, a Powerful Drive or Cunning Chip.

He left many Goalies stranded, with Superb Swerve or Devious Dip.

Eire's World Cup Winger, won European and League Honours too.

Exceptional Left-Footed ability. Talent gifted to just a precious few.

Dangerous anywhere near to Goal, yet so Inventive when out wide.

You would be thrilled to have His Expertise, embellishing your side.
